Dear Parents,

Greetings from International Philippine School in Al-Khubar!

Please be informed that SCECO had scheduled their maintenance service for the upgrading of our school's power supply wattage on October 22, 2011 (Saturday).

In view of the above, the School Management is declaring "no classes" on the said date because the school's power supply will be shut down. Classes resumes on Sunday, October 23, 2011.

For your information and guidance.

Very truly yours,

LYDIA G. MILAG
School Principal (A)
